Membership in the Saskatoon Nature Society

The Saskatoon Nature Society publishes ten newsletters per year informing members of field trips and other activities. Except in the summer, monthly meetings present speakers on a wide range of nature related topics. **Membership Renewals:** All SNS memberships expire on December 31; failure to renew by then may interrupt delivery of your newsletter. Check your mailing label to see the year your membership expires; those receiving the newsletter by email will be notified before their membership expires. Memberships paid after July 1 will continue through the following year. Donations qualify for a tax receipt.

Membership in Nature Saskatchewan

The Saskatoon Nature Society is affiliated with the provincial society, Nature Saskatchewan, but membership is separate and the fee schedule is different. Renewing your provincial membership through SNS earns us a \$2 commission. Nature Saskatchewan is a strong advocate for conservation and education in the province. Benefits of membership include the quarterly journal *Blue Jay*, and spring and fall meets at various locations in the province. More information is available on their web site: www.naturesask.ca.

Note: multi-year Nature Saskatchewan memberships are no longer available.
